North Texas NOW!
A Project-Based Dual Credit Program
For Frisco ISD Graduating Class of 2022
Overview

• The Benefits of Dual Credit
• The North Texas NOW! Program
• The Experience
• The Curriculum
• The Eligibility Requirements
• The Cost
• The Important Dates
What is Dual Credit?

• Dual credit allows students to earn high school and college credit at the same time.

• High school students enroll in university classes and, upon successful completion, credits will apply to high school graduation AND a college degree.

• The courses will appear on both high school and university transcripts.
Dual Credit Benefits

• Earn dual credit from a Tier 1 Public Research University
• Get a head start on a bachelor's degree by completing the Texas Core Curriculum
• Gain transferrable college credit
• Receive discounted university tuition
• Earn weighted high school GPA
• Attend UNT Frisco Campus at Hall Park
Being a Dual Credit Student

• Register as a UNT student
• Enroll in college courses with college-level experiences and rigor
• Be organized and self-motivated to keep pace with academic expectations
• Access UNT services for support
• Serve as custodian of your educational records (FERPA)
• Comply with UNT student code of conduct
North Texas NOW!

This four-semester interdisciplinary, project-based learning experience is designed around solving real-world problems—problems that make the course content relevant and meaningful. You'll work in teams to explore, discover, and recommend unique solutions as you develop analytical, professional, and interpersonal skills that employers identify as essential.
North Texas NOW!
Experience

- Collaborate with renowned faculty and peers to solve real-world problems.
- Discover the power of interactive, team-based problem solving.
- Experience an interdisciplinary approach to both teaching and learning.
- Study coursework centered around real-world problems.
- Advance your future by starting your college degree now.
- Develop and sharpen skills in project management, collaborative thinking, data analysis, communication, creativity, decision-making and leadership.
North Texas NOW!

Courses

The program focuses on the 42 semester credit hour Texas Core Curriculum. Core requirements are common to all public colleges and universities in Texas. A completed Texas Core Curriculum is fully transferrable between public higher education institutions in Texas.

In Fall 2020 UNT will welcome

One morning project cohort of 30 students
One afternoon project cohort of 30 students
